[1] Not all features are available in all editions of Windows 8. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows 8 functionality. See http://www.microsoft.com [2] 64-bit computing on Intel architecture requires a computer system with a processor, chipset, BIOS, operating system, device drivers and applications enabled for Intel® 64 architecture. Processors will not operate (including 32-bit operation) without an Intel 64 architecture-enabled BIOS. Performance will vary depending on your hardware and software configurations. Dual-core/triple-core/quad-core/six-core is a new technology designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. See www.intel.com/info/em64t for more information. [2a] GHz refers to internal clock speed of the processor. Other factors besides clock speed may impact system and application performance. [2c] Intel®'s numbering is not a measurement of higher performance. [2e] Intel® Turbo Boost technology requires a PC with a processor with Intel Turbo Boost capability. Intel Turbo Boost performance varies depending on hardware, software and overall system configuration. See http://www.intel.com/technology/turboboost/ for more information. [2f] Requires a Wireless Display adapter and HD TV. [2g] Requires an Intel Core processor. Wireless access point and Internet service required and not included. Availability of public wireless access points limited. [3] High-definition (HD) content is required to view high definition images. [4] Shared video memory (UMA) uses part of the total system memory for video performance. System memory dedicated to video performance is not available for other use by other programs. [6] 1 GB = 1 billion bytes. Actual formatted capacity is less. Up to 30GB of system disk is reserved for system recovery software. [8] Wireless access point required and not included. [8f] Bluetooth is a trademark owned by its Company under license. [9] Weight and system dimensions may fluctuate due to configuration and manufacturing variances. [10] Actual speeds may vary. [10a] Internet service required and not included. [11c] Battery life will vary depending on numerous factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See www.bapco.com for additional details. [12] Internet access required and not included. [12b] Internet access required and not included; registration required. [12c] Internet access required and not included; webcam required. Subscription may be required for additional features. [12h] Internet access required and not included; registration required. Subscription required for live updates after 60 days. [12l] Games may be limited during trial period. Full version games may be purchased at any time. Internet access required and not included. [12m] Internet access and Snapfish membership required and not included. Supported on Android and iOS operating systems. [12s] Availability of features varies by country. Streaming services may require a paid subscription. May not be compatible with all music files. Not compatible with DRM tracks. Internet service required and not included. [13b] Internet service required and not included. [14a] Requires an operating system with power management capabilities, such as Windows 8 or Chrome. [14d] Designation based on actions to reduce transportation-related emissions. SmartWay: US only. [14e] Free recycling in select countries. Program may not be available in your area. Check www.hp.com/go/recycling to see if HP offers free recycling in your area. [14h] EPEAT Silver registered models of this product are available where HP registers consumer notebook computers. [18] Internet connection required for updating and connecting to HP Support. [18a] For more information visit http://www.hp.com/go/hpsupportassistant. HP Support Assistant is only available on Windows-based PCs. [20] Click on the Box app on the Start screen of your HP computer and register for a new account to receive the offer. Offer valid through December 31, 2014. [21] 24 x 7 support available only in North America. Rest of world is supported during normal business hours. [22] External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen. [31] See in box information for complete offer details and service upgrade charges. For service beyond the 2 year period, activation will be required. Service starts on date of hardware purchase and is not available everywhere. 4G connection speeds will vary due to location, environment, network conditions, and other factors. Available in U.S. only. *IDC Quarterly PC Tracker (Q1 2012). Actual product may vary from image shown. ©2013 Hewlett-Packard Development Company, L.P.
